

To Whom It May Concern:

Good Afternoon, My name is Matthew Verden. I'm with Courtcred.com. Courtcred.com is a national based high school basketball website based in Atlanta, GA. We travel all over the world covering HS basketball on all levels from a digital and social media standpoint. I'm reaching out to you, on behalf of my good friend Cabral Huff. Coach Huff will be the perfect person for your staff as he brings so many valuable qualities to the table. Below are just four of his attributes:

- 1) Born and raised in Atlanta, GA. His relationships on and off the court in the state of Georgia go a long way.
- 2) Coach Huff's ability to teach and relate to people and kids is amazing. The way he goes the extra mile for his students, parents and players speaks volumes.
- 3) Coach Huff's work ethic is like no one else. He's single with no kids, so in his free time, he's always in the gym working out his kids or at some AAU event watching and evaluating talent.
- 4) I know Coach Huff personally and we talk hoops all the time. So I know he wouldn't have a problem recruiting the states of GA and FL or the Southeast for that matter. Those states are some of his strong areas as he can hit the ground running on bringing in some talent. His knowledge and relationships in the Southeast are very strong in every angle.

Accordingly, I'm looking forward to a meaningful business relationship, due to the good will, high character and prior business relationship that Coach Huff and I have had over the years. In this regard, I would not hesitate to highly recommend Coach Huff to you. Please feel free to contact me if you have any further comments. Thank you for your anticipated cooperation in this regard.

Thank you

Matthew Verden
