To Whom It May Concern:

This letter is in reference to one, Cabral Huff. Cabral was the Director of Men's Basketball Operations at Georgia Southern; however, it has been my privilege to know him for several years.

Cabral came to Georgia Southern leaving behind a loaded high school team which shows a willingness to sacrifice. His duties on staff included organizing team travel, managing budget, academics of players, liaison with other members of the athletic department, camp coordinator, recruiting discussions, managing all players' schedules and supervising managers and graduate assistants.

Cabral is extremely qualified to become an assistant coach at your university. He understands how to recruit, how to coach, and how every dynamic of a college program is maintained. He is the former State Coach of the Year in Georgia and he has great connections to future student athletes and high school coaches. He will represent your university in a positive manner and be a great role model to his player's. I feel he would be a tremendous asset for your university.

Sincerely,

Timothy Kaine
